Article 1 - Mission and Goals

[Return to TOC](#)

Section 1 Shelton Public Schools Mission Statement and Goals

The Mission of Shelton Public School is to prepare students to read comprehensively, write clearly and purposefully, compute mathematically, communicate effectively, and utilize information and technology to create solutions for the 21st century. Our vision is to create an educational system that promotes the development of the whole person (mind, body and soul), encourages students to be their best, fosters relationships, self-discipline, and joy of learning, through a relevant and rigorous curriculum that emphasizes student practice and teacher feedback. The accomplishment of this mission is dependent upon our commitment to these beliefs.

WE BELIEVE THAT CLEAR AND COHERENT SYSTEMS ARE IMPORTANT TO ACHIEVING OUR GOALS

1. Each student should have access to high quality grade level instruction no matter the platform.
2. Our systems must be designed to ensure every student has equitable opportunities to meet the high expectations we set for student success.
 - a. This means special populations (SPED,EL,Gifted) need systematic supports to ensure their success.

3. Students and staff need social emotional and mental health supports.
 - a. This means kids need positive relationships and connections with peers and adults to be successful while teachers need collaboration and interaction.
4. Safety precautions are critical for staff, students, and the community as we are faced with the new realities and circumstances of our school and community.

Section 2 Philosophy

It is imperative that the staff of Shelton Public School believes that every child is capable of learning. Each child will reach their learning potential through the combined efforts of the school staff and parents. Each child has the right to receive the best educational experience possible and it is our responsibility to ensure that such positive experiences take place.

It is therefore, each teacher's responsibility to provide experiences which both motivate and reinforce children for learning, provide a safe, orderly environment, create a climate for success, keep students on task, monitor our programs and student progress, provide a strong home-school relationship, and work together as a team. Ultimately, our success as educators will not be measured by how much we have taught, but by how well our students have learned.

Section 3 Mutual Respect: STAFF STUDENT RELATIONS

Staff members shall be expected to regard each student as an individual and to accord each the rights and respect due any individual. The role of staff shall be seen, not as dictators but as resource persons, aides, and guides in the learning processes. Staff members shall provide for the fullest self-determination by each student in regard to his or her learning program, consistent with district and local goals and with optimum opportunities for all students. Students shall be treated with courtesy and consideration.

Each student is urged to regard staff members as persons with specific knowledge and capabilities that can be well utilized to advance the student's own knowledge and development.

Students shall be expected to regard staff members as individuals, employed to provide direct or indirect contributions to learning. While students are to have considerable latitude in making choices for themselves they shall be required to respect the rights of staff members (and other students, as well) and interference with those rights shall not be condoned. NO student shall have the right to interfere with the efforts of instructional staff to coordinate or assist in learning, to disseminate information for purposes of learning, or to otherwise implement a learning program. Nor shall a student have a right to interfere with the motivation to learn or the learning activities and efforts of other students.

Section 4 Multicultural Policy 9001

The school district will provide programs that foster and develop an appreciation and understanding of the racial, ethnic, and cultural heritage of all students. These programs will allow students to explore the history and contributions made by various ethnic groups and will emphasize the rich diversity of the population of the United States.

The programs shall be implemented within the guidelines of the State Department of Education and in accordance with any other applicable laws and/or regulations.

Section 5 Concern Procedures:

Parents are encouraged to contact the school when a concern arises. Appointments can be made for parents to meet with staff members or the principal or to draw on the support services of

any other program the school has available to help the students. The proper procedures for a parent or student to make complaints or raise concerns about school staff, programs, or activities are set forth below.

- Step 1:** Schedule a conference with the staff person involved with the concern
- Step 2:** If the matter is not resolved; schedule an appointment with the Principal.
- Step 3:** If the matter is still unresolved at Step 2 appeal to the Superintendent
- Step 4:** If the matter is still unresolved at Step 3 appeal to the school board.

School dismisses each day at **3:25 P.M.**

***5th and 6th Grade will be dismissed at 3:30**

Section 2 Shortened Schedule

Please check the school calendar for early dismissal time and dates. Unless it is weather related there are two times per school year where students are dismissed at 11:30. The first 11:30 am dismissal will be on the first day of school and the second 11:30 am dismissal will be on the day we dismiss for Thanksgiving Vacation. 2:30 early dismissals for professional development will be held on the following dates: Sept. 14th, Oct. 5th, Oct. 19th, Nov. 2, Nov. 16, Dec. 7, Dec. 21, Jan. 11, Jan. 25, Feb. 8, March 8, March 22, April 5, and April 19.

Section 3 Severe Weather and School Cancellations

When school must be closed due to bad weather or other emergencies, announcements will be made by radio and television stations in Kearney and Grand Island. **Also, Cornerstone Bank of Shelton has provided the opportunity for parents and community members to receive messages posted by the school via telephone and email, including school cancellations. Parents are encouraged to utilize this as a source of information and can contact the school for more information on signing up for this free service.**

EMERGENCY CLOSING

The Superintendent is empowered to close the district school(s) or to dismiss them early in the event of hazardous weather or other emergencies that threaten the health or safety of students and personnel. Such action is never to be taken lightly, for public education is one of the principal functions of the community and should be maintained at a normal level except in extreme circumstances. When regularity of operation changes, serious difficulties are caused and the welfare of children may be jeopardized. Schools may not properly be closed merely to avoid inconvenience. While it may be prudent under certain circumstances to excuse all students from attending school, to delay the opening hour, or to dismiss students early, the administration has the responsibility to see that as much of the administrative, supervisory and operational activity is continued as may be possible.

In making the decision to close schools, the Superintendent, or their designee, shall consider many factors, including the following principle ones related to the fundamental concern for the safety and health of children:

1. Weather conditions, both existing and predicted.
2. Driving, traffic, and parking conditions affecting public and private transportation facilities.
3. Actual conditions or imminent possibility of any emergency conditions which would make the operation of schools difficult or dangerous.
4. Inability of teaching and supervisory personnel to report for duty, which might result in inadequate supervision of students.

It is the policy of the Shelton Public Schools to recognize the right and responsibility of parents in the matter of school attendance. This regulation leaves to the discretion and judgment of parents whether or not their children are in fit condition and properly dressed to attend school during inclement weather. Sometimes it becomes advisable for schools to end morning or afternoon sessions earlier than usual because of building conditions or weather. Parents should plan for this possibility. In the case of inclement weather, any parent who desires may pick up his children from school at any time during the day. This is in accordance with BOE Policy 3024.

Article 3 – Use of Building and Grounds

[Return to TOC](#)

Section 1 Entering and Leaving the Building

Entering: Students should not be on school grounds prior to 7:30 A.M. unless they are eating school breakfast or are under the supervision of a school sponsor. Students who drive or ride the bus will enter through the back entrance or west entrance. Students who are dropped off, ride bikes, or walk will need to enter through the front entrance.

Leaving: The school day ends at 3:30 P.M. All children are encouraged to go directly home unless they are under the supervision of a school sponsor. Students who are not waiting for a ride are to leave the school grounds immediately after dismissal.

Section 2 Visitors

Visitors are always welcome at our school! Parents are encouraged to visit at any time of the day to see school in progress. In order to observe a specific class, please refer to the classroom schedule provided by the teacher at the beginning of the year. It is advisable that conferences with teachers be scheduled in advance. Other visitors such as personal friends, out-of-town guests, cousins, etc...are welcome too. However, the principal is to be notified in advance of the visit. We ask that all visitors check-in at the high school office before going to the classrooms. If social activities are planned such as field trips, assessments, special projects, etc...visits will be discouraged and have to be rescheduled.

Section 3 Smoke-Free Environment

Shelton Public Schools declares our school building to be smoke-free. We would appreciate your help in meeting the goal of a smoke and tobacco free environment for our children. When you attend school events, including athletic events, please remember that our building is smoke and tobacco free and abide by our district's policy.

Section 4 Care of School Property

Except in cases of unavoidable accidents, students and/or their parents are liable for all damage they may do to school property and will be required to make restitution for damages incurred.

Section 5 Searches of Lockers and Other Types of Searches

Lockers are the property of the school district and students are permitted to use them without charge. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particularized suspicion or reasonable cause.

Section 6 Video Surveillance

The Board of Education has authorized the use of video cameras in the school building to ensure the health, welfare and safety of all staff, students and visitors to this property, and to safeguard district facilities and equipment. Video cameras may be used in locations as deemed appropriate by the Superintendent.

Section 7 Use of telephone

If a child has a legitimate reason to use the phone, permission may be granted by the school secretary, teacher, or the principal. Students will not be called to the phone during the day unless it is an emergency.

Section 8 Bicycles, Skateboards, Roller Blades, Scooters

Skateboards, Roller Blades, and Scooters are not allowed on school premises; however, bicycles may be used as a form of transportation to and from school. The school is not responsible for theft or damage to a bicycle. The following rules must be observed regarding the use of bicycles:

1. No one is allowed to ride bikes on school grounds. Students must walk bikes onto school grounds.
2. Bicycles must be parked in the bike rack.
3. The borrowing of a child's bicycle during the school day will not be allowed.

Section 9 Student Valuables

Students are responsible for taking care of their own property that they bring to school. Books, supplies, and materials should all be labeled. Any items brought from home for classroom use should be given to a teacher. Large amounts of money should not be carried to school.

Section 10 Lost and Found

Lost and found items are located in the storage room in the high school office. Parents are encouraged to contact the school if a child's belongings are missing or are free to check the items in the storage room. The lost and found items are displayed on the last day of the quarter so the students will have the opportunity to identify and claim them. Once the semester is over, leftover items will be donated to charitable causes and/or discarded. **Please mark your child's belongings for this purpose.**

Section 11 Accidents

Every accident in the school building or on school grounds must be reported immediately to the office and an accident form will be completed. Depending upon the severity of the accident, communication will take place between home and school.

Section 12 Insurance

The school district is not an insurer of student safety, and parents are encouraged to secure insurance covering their students' health care needs, including catastrophic coverage for injuries which may be sustained while participating in athletics or other extracurricular activities.

Section 13 Bulletins and Announcements

PowerSchool and the Alert Solutions Messaging System will be the primary means of communicating with patrons. School bulletins will be available on the school website. Periodic paper flyers/announcements may be sent home when appropriate. Shelton Public School also has a website at: www.sheltonbulldogs.org. The district website will contain a wide array of pertinent and up to date information.

Article 4 – Attendance

[Return to TOC](#)

Section 1 Attendance

Students are required to attend class regularly and to be on time in order to gain the maximum benefit from our instructional program, develop habits of punctuality, self-discipline, and responsibility. Students must be in regular attendance if they are to obtain the most value that they can from each course. Continuity in the learning process is seriously disrupted by excessive absences. In most situations, the work missed cannot be made up adequately. The discussion that takes place

in the classroom is often more valuable than that written assignment. Nebraska School Law, 79—201, requires students to attend each day that school is in session, except when excused by school authorities. An excused absence is due to illness, medical appointment or an absence previously requested by the parent/guardian and acknowledged as excused by school authorities. **It is the parent's responsibility to see that their child(ren) attend(s) school regularly.**

Section 2 Attendance and Absences (BOE Policy 9014)

The following guidelines apply to any absence:

1. A high school student who accumulates more than 10 attendance points in any class in a semester will receive an NC (no credit) w/ a GPA value of "0" for that course unless the Principal determines that, due to the nature of the absences, credit shall be granted.
2. All absences shall count towards the ten-day limit, with the following exceptions. Any absence due to school-sponsored activities will not count toward the ten-day limit. Also, any absence due to illness as long as a doctor's note is filed in the office stating such.
3. After-8 -unexcused absences or the hourly equivalent in any semester, the principal will meet with parent(s) or guardian(s) and student if necessary, to attempt to solve the absenteeism. At that time, the principal will determine whether curricular changes, such as placement in an alternative educational setting, would help solve the absenteeism. If steps to remedy the absenteeism are not successful, the principal may make a report to the county attorney.
4. When a student is absent more than twenty days per year, and any portion of the absence is unexcused, the principal will file a report with the Buffalo County Attorney. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the principal must file a report with the appropriate county attorney.
5. Any student that must miss a day of school must bring a note to the office signed by the parent/guardian, describing the reason the student was unable to be in school. Notes on future absences must be filed in the office at which time a make-up slip will be issued. The make-up slip must be turned into the office prior to the student being gone. Make-up slips given due to illness must be returned to the office two school days after the absence. After that time, it is the teacher's option whether to accept make-up work or give the student a zero. Teachers will sign the make-up slip after the assigned work has been completed. In the event the make-up slip is not turned in to the office within the designated time, the student will be placed in AAP to receive assistance in fulfilling this attendance obligation.
6. Determination as to whether any absence is excused or unexcused shall be the principal's.
7. Any student who has an unexcused absence will be subject to disciplinary remedies for truancy as well as customary consequences for missing/late work determined by the classroom teacher.

**Students who are truant or continue to have excessive absenteeism will be dealt with by the compulsory attendance law 79—209 and reported to the proper agencies.

Career/Job Shadowing

Students will be granted 1 Career/Job Shadowing day in each of their 11th and 12th grade years. This will be part of the Guidance Career Workshop Curriculum and will not count against their 10 days provided the following criteria are met:

- Appointment made with employer at minimum of 10 days prior to Job Shadowing.
- Signed Parental Permission Slip turned into the office at minimum of 7 days prior to Job Shadowing

- Students have all school work completed as evidenced by the completed make up slip turned into the office prior to Job Shadowing

The school is not responsible for transportation. Students on the Down List will not be granted a job shadowing day.

College Visit

Students will be granted 1 College Visit day in each of their 11th and 12th grade years to visit a college of their choice or attend a college fair provided the following conditions are met:

- Signed Parental Permission Slip turned into the office at minimum of 7 days prior to the college visit
- Students have all school work completed as evidenced by the completed make up slip turned into the office prior to the college visit

This is in addition to anything the Guidance Counselor, or a Teacher takes the class to for colleges or careers. Students on the Down List will not be granted college visitation days.

Section 3 Tardiness

Classes begin at 8:00 A.M. The teacher takes attendance and lunch count at this time; therefore, it is essential that your child be on time. Students who arrive late to school must stop by the central office and obtain a pass. Bus students will not be counted tardy if the bus is late for any reason.

1. *Morning/First-period tardies*- Each student will be allowed four tardies per quarter before disciplinary action is taken. On the fifth through seventh tardies, the student will be assigned a one-hour detention for each tardy. If there are more than seven tardies, the student will be required to serve a 1.5 hour detention. If a student receives more than nine tardies, a conference will be scheduled with the parent(s), student, and administration in order to determine what course of action to take in order to prevent future tardies. Further violations may result in student suspension and/or loss of class credit.
2. *Class tardiness* - Unexcused class tardiness will be tracked and handled by the administration.
3. *Tardy vs. Absent* - A student 10 minutes late to class or less will be counted as tardy. A student later than 10 minutes to class, will be counted as absent.
4. Repeated tardiness to a particular class will count toward class absences, which (when combined with other absences) can result in a loss of credit as described here:

When a student accumulates four (4) tardies for any *one* class period it will be equivalent to a full absence for that class period (4 tardies = 1 absence, 8 tardies = 2 absences, etc.). This is in conjunction with "Article 4 – Attendance" in this student handbook. Additional remedies for tardiness may include making up time in detention and/or the restriction of off-campus lunch privileges (seniors).

Section 4 Leaving School

No staff member shall excuse any student from the school campus prior to the end of the school day, or into any person's custody, without the direct prior approval and knowledge of the principal. The principal shall not excuse a student before the end of the school without a request for the early dismissal by the student's parent or guardian. If a student does need to leave early per parent request, they must check out through the central office before leaving. Additional precautions may be taken by Shelton Public School's administration appropriate to the age of students and as needs arise.

Section 5 Make Up Work Policy when Absent

The make up work guidelines for Shelton High School are listed below for each type of absence.

| | |
|------------------------------------|---|
| School Activity (Act)- | class work will be due prior to leaving or per teacher arrangement |
| Unexcused Absence (A/AU)- | class work will be due upon return; no extended deadlines |
| Excused Absence (MP/MD/AE)- | 2 days makeup time for each day missed if makeup slip is utilized as prescribed above |
| Job Shadow/College Visit (JOB/CV)- | class work will be due prior to leaving or per teacher arrangement |
| In-School Suspension (ISS)- | class work will be provided; no extended deadlines; student will seek assignments/clarifications via school email/LMS |
| Out of School Suspension (OSS)- | class work will be provided; no extended deadlines; student will seek assignments/clarifications via school email/LMS |

Section 6 Open Campus Privilege for Seniors

Shelton Public School has a closed campus for grades K through 11. The senior class has the privilege for open campus for the purpose of going to lunch daily. It shall be the responsibility of the parent to grant permission for their child to go and eat lunch off campus. It is the responsibility of the student to travel to and from lunch only. SHS students (seniors) may ride with each other, but may not ride with anyone else without written permission from parents for each instance. Students will lose this privilege if:

- on the ineligibility down list
- 4 tardies in the period directly after lunch are accumulated (remainder of semester)
- 10 tardies during the semester are accumulated (remainder of semester)
- 8 attendance points during the semester are accumulated (remainder of semester)
- the student has excessive disciplinary issues, as determined by the high school principal
- found to have been in a vehicle with underclassmen during the lunch period
- assigned to AAP

P... A passing grade may be given by the teacher under special circumstances with administrative approval.

I... Incomplete - A student receiving an incomplete has two weeks past the previous grading period to complete the work. If this is not done, the student will receive a failing grade (69%) or their current grade, whichever is lower, in that class for the term.

Section 2 Progress Reports

Progress reports will be sent home periodically to keep a parent/guardian informed about each child's progress. Parents are also encouraged to use PowerSchool to keep informed on their child's academic standings. Teachers are encouraged to notify parents as soon as a concern arises.

Section 3 Report Cards

The report card is an appraisal of the child's scholastic, social, and personal growth in terms of the school program. Report cards will be distributed at the end of each nine-week period. The report card will be sent home with the student or will be mailed at the end of the Semester. We ask that the parents examine the cards carefully and if they have any questions, to please contact the teachers involved.

Section 4 Down List/Eligibility

Teachers will have their grades prepared each Monday no later than 11:00am. The down list will be distributed to teachers Monday afternoon along with contacting the necessary students and parents/guardians. A student will be considered ineligible or "down" if he/she has is failing (not maintaining at least a 70% average) any two or more classes for two consecutive weeks. The first of those two weeks will be considered a warning week. Students will be eligible to participate during their warning week, but any week(s) directly subsequent to the warning week will result in ineligibility for that calendar week. Grade averages are based on the student's cumulative average for the current quarter.

A student should be in school at least $\frac{1}{2}$ the periods to be eligible to participate in activities after school hours on that date, unless excused by the principal. A student must have passed at least 20 hours, from the previous semester, in order to be eligible for extracurricular activities for the semester. Any student who has not met the above requirement will be ineligible to participate in extracurricular activities.

Section 5 Semester Test

A comprehensive understanding of course outcomes is an important part of the educational process. The semester test schedule, type of semester tests given, method of administering semester tests, and weighting of semester tests will be at the discretion of the principals. Semester tests will account for 20% of the overall grade for the given semester.

Section 6 Graduation Requirements

Graduation from Shelton Public Schools will be made on the recommendation of the high school principal provided the student has met the requirements set forth by the local school board. A student must have completed coursework in grades nine through twelve including the specific requirements of:

Students who earn a semester grade lower than 70% are expected to make up the course either through the credit recovery program or through the alternative room as determined by the principal.

Section 7 Honor Roll

There are two levels of the Honor Roll:

1. "A" Honor Roll – student receives no grades lower than an "A" in all classes
2. "A/B" Honor Roll – student receives only "A's" and "B's" in all classes

The Honor Roll will be published Quarterly and at the end of each Semester.

Section 8 Valedictorian and Salutatorian Guidelines/Class Rank

- A. Valedictorian shall be that senior who has the highest GPA.
- B. Salutatorian shall be that senior with the second highest GPA.
- C. To be eligible, a student must have completed his/her senior year in Shelton Public Schools and have a 1st Semester and 2nd Semester grade from Shelton Public Schools their senior year.

Class Rank

1. Class rank: Highest grade average of academic courses.
2. The grade averages to be used are of high school credit courses earned through their senior year. Incoming grades and credits are accepted for transfer students, if the school was an accredited school. If the incoming grades are not identified by a number or percentage, then the following scale will be used: A=100-93, B=92-86, C=85-78, D=77-70, F=69-0
3. Class rank is figured as follows, taking the grade received in the class, multiply that grade (percentage) times the number of credit for that class, then dividing by the total credit accumulated. All high school courses count toward their class rank and GPA. (Exceptions; Pass/Fail courses, and college classes not on the High School Transcript do not count toward rank). Students can choose to take a dual credit class for college credit only, these would be classes that are not taken during school. UNL Independent Study High School courses count toward a student's GPA, class rank, and Valedictorian and Salutatorian status.
4. Home School classes will not be accepted for High School credit, unless it is from an accredited High School.
5. The 4.0 scale will be used for purposes of class rank with 4.0=93-100, 3.0=86-92, 2.0=78-85, 1.0=70-77. The 100-point scale will be used as a tie-breaker only.
6. Grade replacement: Students may repeat a course in (Math, English, Social Studies, Science, and Spanish) but may not earn additional credit toward graduation by repeating the course. Students who repeat the course and earn a passing grade forfeit the credit previously earned. Students who repeat the course and then earn an F do retain credit earned from the previous attempt. In both cases, the original grade remains on the student record even if it doesn't count towards their GPA or graduation progress.
7. The number of Honors Classes or Honors Modules taken and passed may be used as a tie-breaker for class rank.

Section 9 College Classes

A student may be allowed to take college classes or dual credit classes during the school day. Once enrolled in the college class, a student may be allowed to have a period during the school day to take the college class, whether it be a class that is online, correspondence, or distance learning. Students can choose to take a dual credit class for college credit only, but will not get a period during the school day for it. Any dual credit college courses taken during the school day will be figured into the student's GPA, Valedictorian and Salutatorian status, and will receive a .5 bonus to their GPA if they pass (A=4.5, B=3.5, C=2.5, D=1.5, F=0). A grade conversion chart is provided at the beginning of Article 5, above.

Section 10 Student Aides/Basic Skills Addition (2.5 credits per semester IEP/MDT Students)

1. Students wanting to be student aides for teachers or administrators must be doing satisfactory work in all school subjects.
2. Students will be given 2 hours of credit per semester and will be graded on a pass/fail basis.
3. Student aides are responsible to their supervising teacher. They should be prompt and ready to work.
4. Students will be allowed to be aides after discussion of job expectations with the teacher and principal.
5. There will be only one aide per teacher unless approval is given by the principal.
6. Students serving as aides (typically restricted to Juniors and Seniors) may not take a study hall unless given permission by the principal or counselor.

Section 1 Special Education Establishment

All children, regardless of their handicapping condition, are entitled to a free appropriate public education and an equal opportunity for education according to their needs. The district will follow the protocols created by the Nebraska Department of Education and the United States Department of Education in identifying, evaluating, and verifying students who may be entitled to rehabilitation or special education services. The school district shall provide special education and rehabilitative services only to children with verified disabilities and qualifying conditions.

Section 2 Guidance Services

All students are encouraged to work closely with our Guidance Counselors. They are skilled in helping students to resolve issues that can impede the educational process. These issues could range from academic to personal, don't hesitate to utilize them early in a situation so that problems can be more quickly resolved. All students will meet with the school counselor to plan their course of studies through high school. This should be done as early as possible in the school year so that any needed corrections in scheduling can be made. Those students considering college after graduation need to determine the entrance requirements for the colleges of their choice as early as possible. It is recommended that college-bound students and their parents visit the school counselor to plan an appropriate course of study. Current college catalogs are available in the counselor's office.

Mandatory Reporting - School employees are legally obligated to report any suspected abuse or any activity and or situation that could put the welfare of students in jeopardy.

Section 3 Cumulative Records

A cumulative record will be maintained for each student from his/her entrance into school through the twelfth grade. These records pertaining to the individual student may be used only for the benefit, promotion, or welfare of the student. All material in each cumulative file will be treated

as confidential. According to State Law (Statute 370, 1973) these records are accessible to the student, the student's parents or guardians, and school personnel only. "Shelton Public School releases directory information about your students to college, universities and military recruiters. If parents wish to withhold information provided to military recruiters please contact the guidance counselor with your request". Having a student's records sent to another school, prospective employer, or any other party, requires an official release form on file in the Guidance Office signed by the student's parent or guardian.

All **Credit Recovery** placements are subject to administrative approval. Credit Recovery would be reported on the transcript as an Alternate Class (example, Alternate Biology) and assigned the lowest possible passing grade. The student's original grade in the class will remain the same. Students can only recover a failed grade starting in the 2nd semester for 1st semester fails, and Summer School for 1st or 2nd semester fails.

Students seeking to fulfill required classes that cannot be scheduled for them within the regular school day can use the Credit Recovery program, and would receive whatever grade they achieved. These courses are figured into their GPA like a normal course and listed as such. Full-time Alternative Education placement can be requested by the student, parents, teachers, or school administration. Students in full-time alternative education placement may have Education Plans created to meet their educational needs and their graduation requirements. Seniors who are placed in Alternative Education full time during 2nd Semester can meet graduation requirements early if: (1) they fulfill all academic requirements to graduate (2) satisfy the conditions of their Education Plan (3) forfeit their right to participate in all extra activities, including, but not limited to: Prom, Graduation Ceremony, Athletic and Musical Contests (attendance at these events would be at the discretion of the principal) (4) parent agrees to all conditions and assumes responsibility for the student when they are released from the alternative education program. Upon completion and after the graduation ceremony, the diploma will be mailed or distributed to the student. All Alternative Education plans (full and/or part-time) are subject to review, adjustment and final approval of school administration.

Section 4 Classification

Students must have earned:

- 50 hours to enter the Sophomore class
- 100 hours to enter the Junior class
- 175 hours to enter the Senior class
- *255 to graduate

Section 5 Dropping and Adding Classes

A student has five school days in which to "drop" or "add" a class after school has convened for the school year. The respective teachers, parents, and principal must approve class changes. Consultation with the guidance counselor prior to dropping/adding a class is strongly recommended. Any classes dropped after this time period will usually result in failing grades, unless there are extenuating circumstances approved by the principal. Extracurricular academic eligibility could be suspended for a period of time depending on the circumstances of that drop or add. This will be at the discretion of the administration.

Section 6 Health Services

School Nurse: The school nurse is scheduled at Shelton Public School for two days for first and second semester. A schedule will be established and these days will be determined at the beginning of the school year.

Emergency Response Team: In the event the school nurse is not present during a student health emergency, the emergency response team will be notified and activate policies & procedures set forth in the district Emergency Response Plan. Prearranged individual plans may be followed outside the standard response of the team if such plans are set up prior to any such emergency.

Annual Health Check: The school nurse checks each student's hearing and sight annually. If there is a suspicion of a problem, the parent will be notified. Additional health screenings may be requested by the parents or teacher.

Students need to be fever free without medication for 24 hours to be able to return to school from illness. If a child vomits they will be sent home and may not return until they are without an episode of vomiting for 24 hours.

POLICY 9302: MEDICATION OF STUDENTS

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled *Methods of Competency Assessment of School Staff Who Administer Medication*), and all state and federal regulations.  - a. Parents/guardians must provide written permission for the administration of the medication
 - b. The medication must be brought to the school in the manufacturer's container.
 - c. The container must be labeled with the child's name and with directions for provision or administration of the medication

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

STUDENT ILLNESS

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) and make arrangements for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) regarding treatment for the child. If the parents cannot be

contacted, school officials may have the child treated by an available physician. Students who show symptoms of a contagious disease may be sent home, and the district may require a physician's statement before allowing such students to return to school.

Parents must complete an emergency information card for each child enrolled in the district. The card should list the family physician's name, where parents or a responsible adult can be located, and any necessary emergency instructions.

Control of Communicable Diseases: Students with the following diseases must have treatment before returning to school: MRSA/Staph, Pink eye, impetigo, and ringworm. Students with chicken pox may return to school seven days after onset. They must be afebrile and have no infected pox. The student should be inspected by a school official prior to entry. Students with head lice may be readmitted to school following treatment and removal of all nits. The student should be inspected by the school nurse or trained personnel before being allowed to re-enter. Students with the following diseases need a physician's written permission to return to school: hepatitis, rheumatic fever, mononucleosis, and HIV.

To have a student either excused from physical activity because of injury or illness or readmitted to physical activities, a permission slip is needed from the parent or doctor.

Child Abuse: When any school staff member has reasonable cause to believe that a child has been subjected to abuse or neglect, or observes such person being subjected to conditions or circumstances which would result in abuse or neglect, he or she is required by law to report such incidents to the proper law enforcement agency. (School Law 28-710) Abuse or neglect shall mean knowingly, intentionally, or negligently causing a minor child to be placed in a situation that may endanger his/her life or physical or mental health. *Refer Policy 9035 Child Abuse or Neglect.

PRIVACY OF PROTECTED HEALTH INFORMATION

The Health Insurance Portability and Accountability Act of 1996 protects certain health information. Shelton Public Schools recognizes that prior to obtaining or releasing student or employees protected health information, that written authorization for such disclosure will be required. If protected health information is requested from a third party, Shelton Public Schools will ensure that such information is released only as allowed by federal and state law.

EMERGENCY RESPONSE TO LIFE THREATENING ASTHMA OR SYSTEMIC ALLERGIC REACTIONS (ANAPHYLAXIS)

School employees will comply with the requirements of "Protocol: Emergency Response to Life Threatening Asthma or Systemic Allergic Reactions (Anaphylaxis)". The district shall procure and maintain the equipment and medication necessary to implement the protocol. The superintendent shall obtain the required signature(s) of one or more physicians licensed to practice medicine in Nebraska on the form entitled "Protocol: Emergency Response to Life Threatening Asthma or Systemic Allergic Reactions (Anaphylaxis)" ("Protocol"). The superintendent shall publish this policy and Protocol in each employee handbook.

The superintendent shall arrange to have a qualified medical person train employees, and for training updates as necessary.

SELF-MANAGEMENT OF DIABETES OR ASTHMA/ANAPHYLAXIS

Upon receiving the written request of a student's parent or guardian and the written authorization by the student's physician, the school district will work with the parent or guardian in consultation with the physician to develop a medical management plan for a student with diabetes, asthma, or anaphylaxis (referred to herein as "medical condition").

The plan for a student with diabetes will (a) identify the health care services the student may receive at school, (b) evaluate the student's understanding of and ability to self-manage his or her medical condition, (c) permit regular monitoring of the student's self management by an appropriately credentialed health care professional, and (d) be signed by the student's parent or guardian and the physician responsible for the student's medical condition.

[Return to TOC](#)

Section 1 – Forms of School Discipline

Due process with respect to exclusion from school is a matter of board policy and is outlined in Legislative Bill 503 passed in 1976 Nebraska Legislature. The statute provides for 5 types of exclusions:

1. Short-Term Exclusion: Up to, and including 5 days
2. Emergency Exclusion: Immediate exclusion if the student has a dangerous disease, or his/her conduct presents a threat to the physical safety of the school community, or is very disruptive
3. Long-Term Exclusion: More than 5 days, less than 20
4. Expulsion: Remainder of semester
5. Mandatory reassignment: Involuntary transfer to another school within the system in connection with any disciplinary action.

Each type is defined below:

- A. **Short-Term Suspension:** Students may be excluded by a Principal or the Principal's designee from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:
1. Conduct that constitutes grounds for expulsion, whether the conduct occurs on or off school grounds; or,
 2. Other violations of rules and standards of behavior adopted by the Shelton Public Schools Board of Education or the administrative or teaching staff of the school, which occur on or off school grounds, if such conduct interferes with school purposes or there is a nexus between such conduct and school.

The following process will apply to short-term suspensions:

1. A Principal or the Principal's designee will make a reasonable investigation of the facts and circumstances. A short-term suspension will be made upon a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what the student is accused of having done, an explanation of the evidence the authorities have, and be afforded an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary following the suspension, a Principal or administrator will send a written statement to the student and the student's parent or guardian describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken.
4. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with a Principal or administrator ordering

the short-term suspension before or at the time the student returns to school. The Principal or administrator shall determine who in addition to the parent or guardian is to participate in the conference.

5. A student on a short-term suspension shall not be permitted to be on school grounds without the express permission of a Principal.

B. Long-Term Suspension: A long-term suspension means an exclusion from school and any school functions for a period of more than five school days but less than twenty school days. A student who on a long-term suspension shall not be permitted to be on school grounds without the express permission of a Principal. A notice will be given to the student and the parents/guardian when a Principal recommends a long-term suspension. The notice will include a description of the procedures for long-term suspension. The procedures will be those set forth in the Student Discipline Act.

C. Expulsion:

1. Meaning of Expulsion. Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless (a) the misconduct occurred within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) the misconduct occurred within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.
2. Suspensions Pending Hearing. When a notice of intent to discipline a student by long-term suspension, expulsion, or mandatory reassignment is filed with the superintendent, the student may be suspended by the principal until the date the long-term suspension, expulsion, or mandatory reassignment takes effect if no hearing is requested or, if a hearing is requested, the date the hearing examiner makes the report of his or her findings and a recommendation of the action to be taken to the superintendent. The suspension pending hearing may be imposed if the principal determines that the student must be suspended immediately to prevent or substantially reduce the risk of (a) interference with an educational function or school purpose or (b) a personal injury to the student himself or herself, other students, school employees, or school volunteers.
3. Summer Review. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year in accordance with law.
4. Alternative Education. Students who are expelled may be provided an alternative education program that will enable the student to continue academic work for credit toward graduation. In the event an alternative education program is not provided, a conference will be held with the parent, student, the Principal or another school representative assigned by the Principal, and a representative of a community organization that assists young people or that is involved with juvenile justice to develop a plan for the student in accordance with law.

5. Suspension of Enforcement of an Expulsion. Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect. As a condition of such suspended action, the student and parents will be required to sign a discipline agreement.
- D. Other Forms of Student Discipline: Administrative and teaching personnel may take actions regarding student behavior, other than removal of students from school, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but are not be limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions may also include in-school suspensions. When in-school suspensions, after-school assignments, or other disciplinary measures are assigned, the student is responsible for complying with such disciplinary measures. A failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school.

GUN FREE SCHOOL:

Under state and federal law, the Gun Free Schools Provision refers to the federal requirement that districts expel a student for one calendar year if he/she possesses or transmits a firearm on school grounds. Students should be aware of this law and follow the rule as stated. **No person possessing a concealed weapon permit is allowed to carry a weapon on to school grounds or into the school building.**

POLICY 3015: FIREARMS AND WEAPONS

Firearms. No person may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy.

Definition of Firearm. The term "firearm" is defined as any object that is designed to or may readily be converted to expel any projective by the action of an explosive or frame or receiver of any such weapon.

Weapons. No student may possess, handle, or transmit any weapon while on school grounds or at any school activity or event off school grounds except as permitted by this policy. No visitor under the age of 18 may possess, handle, or transmit any weapon while on school grounds or at any school activity or event off school grounds except as permitted by this policy. The term, **weapon, is defined as a firearm or any other object or material that is ordinarily or generally considered a weapon.**

Exceptions Regarding Firearms. This prohibition does not apply to:

1. The issuance of firearms to or possession by members of the armed forces of the United States, active or reserve, National Guard of this State, or Reserve Officers Training Corps or peace officers (or other duly authorized law enforcement officers when on duty or training); or
2. Firearms that may lawfully be possessed by a person who is receiving instruction at the school under the immediate supervision of an adult instructor; or

3. Firearms contained within a private vehicle ***operated by a nonstudent adult*** that are not loaded ***and*** are encased or are in a locked firearm rack that is on a motor vehicle. ***Definition of Encased.*** The term “encased” means enclosed in a case that is expressly made for the purpose of containing a firearm and that is completely zipped, snapped, buckled, tied, or otherwise fastened with no part of the firearm exposed.

3. All arrangements to use and store the firearm or weapon safely while it is on school premises have been agreed to and carried out.

Consequences. Federal law requires that any student who brings a firearm, as that term is defined in 18 United States Code 921, to school be expelled from school for one calendar year. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a firearm or weapon on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be expelled for two semesters, suspended on a long-term basis or mandatorily reassigned. The superintendent of school shall have the authority to modify the expulsion requirement on a case-by-case basis.

Confiscation of Firearms. Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm possessed in violation of this policy. By statute, any firearm that is confiscated by school personnel shall be delivered to a peace officer as soon as practicable. Such firearms are subject to being destroyed by law enforcement authorities.

Report to Law Enforcement Authorities. All school personnel are required to report any violation of this policy to a principal or the superintendent of schools. Students are eligible to participate in a number of unique extracurricular activities including but not limited to school dances, prom, recognition ceremonies, and graduation. In order to fund these extracurricular activities, students may be required to participate in fundraising activities. Students who chose not to participate in fundraising activities are not eligible to participate in extracurricular activities.

C. Waiver Policy.

Students who qualify for free or reduced-price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for (1) participation in extracurricular activities, (2) materials for course projects, and (3) the use of a musical instrument in optional music courses that are not extracurricular activities. Actual participation in the free or reduced-price lunch program is not required to qualify for the waivers provided in this section. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students. Students who wish to be considered for waiver of a particular fee must submit a completed fee waiver application to their building principal.

D. Distribution of Policy

This policy will be published in the Student Handbook or its equivalent that will be provided to students at no cost.

E. Voluntary Contributions to Defray Costs

The district will, when appropriate, request donations of money, materials, equipment or attire from parents, guardians and other members of the community to defray the costs of providing certain services and activities to students. These requests are not requirements and staff members of the district are directed to clearly communicate that fact to students, parents and patrons.

F. Fund-Raising Activities

Students may be permitted or required to engage in fund-raising activities to support various curricular and extracurricular activities in which they participate. Students who decline to participate in fundraising activities are not eligible under this policy for waiver of costs or fees which the fundraising activity was meant to defray.

G. Student Fee Fund

The school board hereby establishes a Student Fee Fund. The Student Fee Fund shall be a separate school district fund that will not be funded by tax revenue, and that will serve a depository for all monies collected from students for (1) participation in extracurricular activities, (2) post-secondary education costs, and (3) summer school or night school courses. Monies in the Student Fee Fund shall be expended only for the purposes for which they were collected from students. Adopted on: 7/13/09 Revised on: 9/12/16, 7/09/18, 7/15/19, 7/12/21 Reviewed on: 8/8/16, 07/10/17, 6/11/18

STUDENT FUNDRAISERS

Each class or student organization is limited to one commercialized fund raising activity per school year. A real need must be present before any group embarks upon a fund raising activity. Each fundraiser must have prior approval of the school principal.

If the product or item to be sold is manufactured or distributed commercially, the event is considered to be a commercialized fundraiser. Bake sales, car washes or auctions are not examples of commercial fundraisers.

2. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.

- override the technology protection measure for the student to access a site with legitimate educational value that is wrongly blocked.
4. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

 - b. Short-term suspension;
 - c. Long-term suspension or expulsion in accordance with the Nebraska Student Discipline Act; and
 - d. Other discipline as school administration and the school board deem appropriate.
2. Students who use school computer systems without permission and for non-school purposes may be guilty of a criminal violation and will be prosecuted.

An aggrieved person should directly inform the person engaging in harassing conduct or communication that such conduct or communication is offensive and must stop. If the aggrieved person does not wish to communicate directly with the person whose conduct or communication is

offensive or if direct communication with the offending person has been ineffective, the aggrieved person should report the conduct or communication to the principal. If the principal is the offending person, the aggrieved person should report to the next higher level of management.

Regardless of the means selected for resolving the problem, the initiation of a complaint of sexual harassment will not cause any reflection on the complainant nor will it affect his or her employment, compensation or work assignments or status as a student.

Section 4 Notification of Rights Under FERPA (Ed.gov)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

For additional information or technical assistance, you may call (202) 260-3887 (voice). Individuals who use TDD may call the Federal Information Relay Service at 1-800-877-8339 or at the following address:

Section 5 Student Privacy Protection Policy

STUDENT RECORDS

The school district shall manage student records and reports as is necessary for effective administration and in compliance with law. In general "student records" shall not include transitory communications such as e-mail, text messages, handwritten communication between school and home, and the like, and these items will not generally be maintained by the district.

For purposes of the district's compliance with state and federal law, the district "maintains" student records which are printed and kept in the student's physical file or which school district staff have intentionally saved within the official school district digital student information system that specifically identifies the student for whom those records are maintained. The school district may also use learning management systems, which deliver and manage instructional content. The school district maintains student records within its student information system but not in its learning management system. The official school district student information system is PowerSchool.

Each building principal will assign responsibilities for the preparation and maintenance of records and will ensure compliance with the applicable federal and state laws, regulations, and record retention schedules regarding their storage and use in the building. No "student record" or record required to be retained by the Nebraska Secretary of State's Record Retention Schedules applicable to the district will be destroyed unless it is first saved in a retrievable, digital format. This includes only records required to be kept by the applicable Retention Schedules and "student records" as defined by state and federal law, and this policy does not prohibit the district from following its record expungement procedures for all other records.

Students or their parents, guardians, teachers, counselors, or school administrators shall have access to the school's files or records maintained concerning themselves or their students. For purposes of this policy, "teachers" include paraeducators and volunteers who are providing educational services to a student on behalf of the School District. "School administrators" include attorneys, members of law enforcement acting on behalf of the school district as well as third-party website operators who have contracted with the school district or its agent to offer online programs for the benefit of students and the district. No other person shall have access thereto nor shall the contents thereof be divulged in any manner to any unauthorized person. All disciplinary material shall be removed and destroyed upon the pupil's graduation or after the pupil's continuous absence from the school for a period of three years, and after authorization is given by the State Records Board pursuant to state law. Upon request, the school district will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

Outside agencies such as physicians, probation officers, psychologists, child guidance clinics, and other agencies concerned with child welfare who are working directly with a child may have access to information pertaining to that child with written parental consent or upon issuance of a valid court order.

The school district shall share student data, records, and information with school districts, educational service units, learning communities, and the State Department of Education to the fullest extent practicable unless otherwise prohibited by law.

Each year, the school district will notify parents and guardians of their rights under this policy and the Family Educational Rights and Privacy Act.

Section 6 Parental Involvement Policies

Shelton Public School welcomes parental involvement in the education of their children. We recognize that parental involvement increases student success.

POLICY 8003: PARENTAL INVOLVEMENT IN EDUCATION PRACTICES

1. The school district recognizes the importance of parental involvement in the education of their children. To ensure such rights, parents will be:

Provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district.

 - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process. A parental request to review specific standardized and criterion-referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. In the case of secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
 - a. Parents are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental observation would not disrupt the activity.
 - b. Parents may request permission to attend counseling sessions in which their child is involved.
3. Permitted, within district procedures, to ask that their children be excused from testing, classroom instruction, surveys and other school experiences that parents find objectionable.
 - a. Building principals will excuse a student from any single school experience at the parent's written request.
 - b. When appropriate, alternative experiences will be provided for the student by the school.
4. Informed through the student handbook of the manner that the district will provide access to records of students.
5. Informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Notified of their right to remove their children from surveys prior to district participation in surveys.
 - a. The principal must approve all surveys intended to gather information from students before they are administered to students.
 - b. Students' participation in surveys is voluntary. Parents may restrict their child from participating in any survey.

The district's homeless liaison is the Superintendent. Students in homeless situations who require assistance should contact the liaison at 308-647-6742 or in person at Shelton Public School, 210 9th Street, Shelton Nebraska 68876.

3. Definitions

- c. "Child" and "youth" refers to persons who, if they were children of residents of the District, would be entitled to a free education.

POLICY 3021: SCHOOL MEAL PROGRAM AND MEAL CHARGES

Meal Program. The school district will make a school meal program available to students. The cost of the program will be determined by the board of education so as to make the program as nearly self-supporting as possible. With board approval, the district may contract with a private company or corporation for the management and/or provision of the program.

The district will notify the families with children attending school of the current guidelines for free or reduced-price school meals. A copy of the complete regulations and procedures regarding reduced-price and free meals shall be available in the office of the superintendent.

Meal Charge Policy. The district will notify students and their families of the policy for **Charged Meals**, meaning meals received by a student when the student does not have money in hand or in his or her food account. This policy applies to students who receive meals at the free, reduced, or full rates.

Notice of this policy must be provided in writing to all households at the start of each school year and to households that transfer to the school during the school year. Notice may be provided through the student handbook, student registration materials, online portal used to access student accounts, direct mailing or e-mail, newsletter, the district website, and/or any other appropriate means. Notice of this policy will also be provided to all school staff responsible for the enforcement of it, including food service professionals responsible for collecting payment for meals at the point of service, staff involved in notifying families of low or negative balances, and other staff involved in enforcing any aspect of this policy.

The district's policy on charged meals is:

If a student owes more than \$20, the student will be provided up to five limited "courtesy meals," such as a plain sandwich. Thereafter, if a student has no funds available to pay for a meal, no food will be provided.

Students who qualify for free meals will not be denied a reimbursable meal, even if they have accrued a negative balance from other food purchases. School staff may prohibit any students from charging a la carte or extra items if they do not have cash in hand or their account has a negative balance.

If a student repeatedly lacks funds to purchase a meal, has not brought a meal from home, and is not enrolled in a free meal program, the district will use its resources and contacts to protect the health and safety of the student. Failure or refusal of parents or guardians to provide meals for students may require mandatory reporting to child protection agencies as required by law.

Collection of Delinquent Meal Charge Debt

The school district is required to make reasonable efforts to collect unpaid meal charges. The building principal or his or her designee will contact households about unpaid meal charges and notify them again of the availability of the free and reduced meal program and/or establish payment plans and due dates by telephone, e-mail, text, or other electronic, written or oral communication. If these collection efforts are unsuccessful, the school district may pursue any other methods to collect delinquent debt as allowed by law. Collection efforts may continue into a new school year.

In the event that the Nebraska Department of Education develops a state-level meal charge policy, it shall supersede that portion of this policy.

A weekly school calendar will also appear in the local newspaper. Copies of the master calendar will be placed in the school Secretary's Office.

DATING VIOLENCE

Dating violence, as that term is defined by Nebraska law, will not be tolerated by the school district. Students who engage in dating violence on school grounds, in a school vehicle or at a school activity or that otherwise violates the Nebraska Student Discipline Act will receive consequences consistent with the Act and the district's student discipline policies.

The school district shall provide dating violence training to staff deemed appropriate by the administration and in accordance with Nebraska law.

POLICY 9010 STUDENT BULLYING

Bullying is prohibited. Students are prohibited from engaging in any form of bullying behavior. **Without limiting any definition of bullying under any state or federal law or regulation, bullying** behavior, as used herein, refers to the use of physical force or verbal, nonverbal, written, and electronic communication (including but not limited to instant messages, text messages, e-mailing, and using websites) to threaten, intimidate, ridicule, humiliate, or harass any person.

Students and parents are encouraged to inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities which educate students about bullying and bullying prevention.

The school district shall review this policy annually.

 - c. The school district seeks to deter the use of illegal and prohibited drugs and alcohol among students.
 - d. The school district recognizes that students who use illegal and prohibited drugs pose a threat to the health and safety of themselves, other students, teachers, administrators, and other persons.
 - e. The school district finds that the drug and alcohol problem among the student body will be effectively addressed by making sure that the large number of students participating in extracurricular activities do not use drugs and alcohol.

5. Students Who Are Required to Submit to Drug Testing

1. **Grades.** All students in grades 9-12 who participate in any extracurricular activity or competition are part of the pool subject to random drug testing.
2. **Consent.** A student and his or her parent(s)/guardian(s) must sign a consent form before the student shall be eligible to try out for, practice with, or participate in the extracurricular activity. The consent form is attached to this policy.
3. **Selection Pool Eligibility.** Students shall remain in the selection pool for an entire calendar year (365 days) from the date the consent form is received by the school district except that students who quit during the season or activity (prior to being selected for testing) or students who are cut from an activity will be removed from the testing pool. Only students who are participating in active extracurricular activities at the time of random testing will be in the random drug testing pool.
4. **Withdrawal.** Students who have a consent form on file remain eligible for drug tests from the date the consent form is received by the school district and throughout the remainder of the school year or until the student files a Withdrawal of Student from Activity form signed by the student and his or her parent(s)/guardian(s). Upon withdrawal, the student shall not be eligible to participate in any activity that is subject to drug testing for the remainder of the school year. A student who files a Withdrawal of Student from Activity form after selected for a random drug test but before submitting to the test or after testing positive shall be ineligible to participate in any extracurricular activities for one calendar year from the date the Withdrawal of Student from Activity form is received by the Drug Testing Coordinator.

6. Drugs. Students participating in extracurricular activities are prohibited from using, possessing, distributing, manufacturing, or having drugs present in their system. "Drugs" means:

- a. Any substance considered illegal by the Uniform Controlled Substances Act, Neb. Rev. Stat. § 28-401 *et seq.*
- b. Any substance, which is controlled by the Food and Drug Administration unless prescribed to the student by any licensed medical practitioner authorized to prescribe controlled substances or other prescription drugs;
- c. Alcohol for any student under the age of 21. Alcohol shall have the meaning as provided in Neb. Rev. Stat. § 48-1902(1).

7. Testing Procedures

- a. **Student Selection.** All students who participate in extracurricular activities and submit a consent form will be included in a master list and will be subject to random drug screening. The master list shall be submitted to the company employed by the district to conduct the testing.

b. Parental Request. Students who do not participate in extracurricular activities may be added to the random drug screening master list upon parental/guardian request and filling out the forms. If a parent requests that they have their student drug tested, the parent/guardian, not the district, will pay the cost of that test.

c. Type of Test. The school district reserves the right to utilize breath or a 12-panel urinalysis testing procedures. Urine samples, which screen positive, will be confirmed by either a Gas Chromatography/Mass Spectrometry (GC/MS) or Liquid Chromatography/Mass Spectrometry (LC/MS) confirmatory test. Positive breath alcohol tests will be confirmed by EBT (Evidential Breath Tester).

d. Collection Site. The Drug Testing Coordinator will designate the boy's and girl's varsity locker rooms as the collection sites at which the student will provide specimens.

e. Collection Procedures. The school board will select a Drug Program Administrator (DPA). The DPA shall randomly select the students subject to drug testing from the master list of the active students participating in extracurricular activities at the time of the test. The DPA will maintain and follow generally accepted industry standards for collecting, maintaining, shipping, and accessing all specimens. The DPA will seek to obtain the sample in a manner designed to insure accurate testing protocols while minimizing intrusion into a student's privacy. The DPA and the school district will provide a copy of the collection procedures upon request. Collection of specimens will occur at or near the end of the school day.

f. Drugs. Students may be randomly tested for any drugs, including but not limited Alcohol, amphetamines, barbiturates, benzodiazepines, cocaine, metabolites, LSD, marijuana, metabolites, methadone, methaqualone, opiates, phencyclidine, propoxyphene, and ecstasy.

g. Results. The Drug Program Administrator or their representative shall notify the student's parent/guardian of any positive test after the initial screening. The DPA will use a secure method to transmit all positive test results to the DPA's Medical Review Officer (MRO). An MRO accreditation body will certify the MRO. The MRO will be responsible for reviewing test results and determining whether the use of a substance identified by the sample analysis is from illicit use or a legitimate medical use. Prior to making a final decision, the MRO or his or her assistant shall contact the student and his or her parent(s)/guardian(s) to discuss the result over the telephone. If the MRO determines the test results are negative, no further action shall be taken against the student. The MRO will only report results of verified positives to the DPA. The DPA shall then notify the Drug Testing Coordinator of the positive test result. The Drug Testing Coordinator shall notify the student and his or her parent(s)/guardian(s) and any staff members responsible for implementing the consequences of this policy.

h. Request for a Retest. A split specimen will be collected for all testing methods, with the exception of alcohol testing. A positive alcohol test can be confirmed with an EBT device. A student's parent(s)/guardian(s) may request that the split specimen be tested at a second nationally certified laboratory from a list provided by the MRO. The request for the test must be submitted in writing to the MRO (with a copy sent to the Drug Testing Coordinator) within 72 hours of being notified of the final testing result.

The student and his or her parent(s)/guardian(s) must pay the associated costs for an additional test in advance. The costs will be reimbursed if the result of the split sample test is negative. The student will remain subject to the consequences of this policy during the retesting procedure.

8. **Negative Tests.** Students and their parents will receive verbal or written notice when the student's test result is negative by the district's Drug Testing Coordinator.

9. **Consequences for Testing Positive.** Whenever the test results indicate the presence of drugs, Drug Testing Coordinator shall schedule and hold a confidential meeting with the student, parent/guardian, and sponsor/coach. Other members of the school's administration may also attend the meeting. At the meeting, the Drug Testing Coordinator shall explain the drug testing procedures and the policy of the district. The consequences shall be as follows (**All offenses are cumulative in grades 9-12**):

The student shall provide written proof of obtaining the assessment to the guidance counselor. The student is strongly encouraged to comply with the assessment and counselor's recommendations.

This includes providing false urine samples (for example, urine substitution), contaminating the urine sample with chemicals or chemical products, the use of diuretics to dilute urine samples, and the use of masking. If the Drug Program Administrator, the MRO, or the onsite-collecting agent determines that a student tampered with a drug test, they will contact the Drug Testing Coordinator and the student shall not be eligible to participate in any activities covered under this policy including all meetings, practices, performances and competitions for one calendar year.

The use of any such agent or technique shall be treated as a positive test for drugs prohibited by this Policy and shall be subject to the penalties set forth in Section 9 of this Policy.

All results of drug testing shall be confidential. Procedures for maintaining confidentiality will be developed by the school district and the testing organization. The Drug Testing Coordinator shall maintain records of positive tests in a secure location. This information will not be available to anyone other than appropriate school personnel and parents. This information will be destroyed upon the student's graduation or one year after the student's class graduates. Under no circumstances will this information become a part of the

The request for a review must be submitted to the Superintendent in writing within five (5) calendar days of notice of the positive test. A student requesting a review will remain eligible to participate in any extracurricular activities until the review is completed. The Superintendent or his/her designee(s), in consultation with the Drug Program Administrator and the Medical Review Officer, shall then determine whether the original finding was justified. No further review of the Superintendent's decision will be provided, and his/her decision shall be final in all respects. Any necessary interpretation or application of this policy shall be in the sole and exclusive judgment and discretion of the Superintendent, which shall be final and non-appealable to the School Board.

14. Severability

If any portion of this policy is deemed to be contrary to the law of the state of Nebraska or the United States by judicial decision or an act of Congress, then only such portion or provision directly deemed to be unconstitutional shall be stricken, and the remainder of the policy shall remain in full force.

2. Parental Permission

Each student must submit a signed parental permission slip prior to being allowed to attend a field trip. A new permission slip must be submitted for each trip.

3. Supervision

Sponsoring teachers must ensure that students are adequately supervised and chaperoned by a responsible adult at all times during field trips. Whether paid staff or volunteers, chaperones are prohibited from drinking alcoholic beverages of any kind at any time during any field trip. All chaperones must be at least 21 years of age. Any chaperone that drives students must possess a valid driver's license. Chaperones that drive students in private vehicles must possess adequate insurance coverage.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. Designation. The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator.**" The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. Definitions. As used in this policy, the following terms are defined as follows:

2.1. Actual knowledge means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal

Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. Consent for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- 2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
- 2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;
- 2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.6.4.2.1. The length of the relationship.

2.6.4.2.2. The type of relationship.

2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.

2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.6.6.1. fear for his or her safety or the safety of others; or

2.6.6.2. suffer substantial emotional distress.

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules,

campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. Discrimination Not Involving Sexual Harassment.

3.1. General Prohibition. Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. Specific Prohibitions. Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
- 3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- 3.2.3. Deny any person any such aid, benefit, or service;
- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. Complaint Procedure. All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R.

part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy

4. Response to Sexual Harassment

4.1. Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. General Response to Sexual Harassment. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district’s education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

- 4.4. **Administrative Leave.** Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.
- 4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.
5. **Grievance Process for Formal Complaints of Sexual Harassment.**
- 5.1. **General Requirements.**
- 5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district’s education program or activity. Remedies may include the same individualized services described in subsection 2.7 as “supportive measures”; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.
- 5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person’s status as a complainant, respondent, or witness.
- 5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
- 5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

- 5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.
- 5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:
- 5.1.4.2.1. The definition of sexual harassment in subsection 2.6;
 - 5.1.4.2.2. The scope of the district's education program or activity;
 - 5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
 - 5.1.4.2.4. How to serve impartially, including by avoiding prejudice of the facts at issue, conflicts of interest, and bias.
- 5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.
- 5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.
- 5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also

allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. Notice of Allegations.

- 5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:
 - 5.2.1.1. A copy of this policy.
 - 5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be,

but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

5.2.2. Supplemental Notice. If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. Dismissal of Formal Complaint.

5.3.1. The district will investigate the allegations in a formal complaint.

5.3.2. Mandatory Dismissals. The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint:

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;

5.3.2.2. Did not occur in the district's education program or activity; or

5.3.2.3. Did not occur against a person in the United States.

5.3.3. Discretionary Dismissals. The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of

the dismissal and an explanation of that action simultaneously to the parties.

- 5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. Consolidation of Formal Complaints. The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. Investigation of Formal Complaint. When investigating a formal complaint and throughout the grievance process, the district will:

- 5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;
- 5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);
- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity

to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and
- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent

and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).

5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:

5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;

5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

5.7.2.3. Findings of fact supporting the determination;

5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;

5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and

5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.

5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. Appeals. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

5.8.1. Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

5.8.2. Grounds for Appeal. Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

5.8.2.1. Procedural irregularity that affected the outcome of the matter;

5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

5.8.3. As to all appeals, the district will:

5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

- 5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.
- 5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- 5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and
- 5.8.3.6. Provide the written decision simultaneously to both parties.

5.9. Informal Resolution. The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

- 5.9.1. Provides to the parties a written notice disclosing:
 - 5.9.1.1. The allegations;
 - 5.9.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
 - 5.9.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
 - 5.9.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- 5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and

- 5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.10. Recordkeeping.

- 5.10.1. The district will maintain for a period of seven years records of:
- 5.10.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
 - 5.10.1.2. Any appeal and the result therefrom;
 - 5.10.1.3. Any informal resolution and the result therefrom; and
 - 5.10.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website then the district will make these materials available upon request for inspection by members of the public.
- 5.10.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. Access to Classes and Schools.

7.1. General Standard. Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

7.1.1. Contact sports in physical education classes. This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

7.1.2. Ability grouping in physical education classes. This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

7.1.3. Human sexuality classes. Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

7.1.4. Choruses. The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. Classes and Extracurricular Activities. The district may provide nonvocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. Athletics. It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. Separate Teams. Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. Equal opportunity. The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. Certain Different Treatment on the Basis of Sex Permitted. Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

10. Retaliation Prohibited. Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

10.1. Specific Circumstances.

10.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

10.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

11. Notification of Policy. The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

- 12. Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).
- 13. Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.
- 14. Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

POLICY 7032: CHILD ABUSE OR NEGLECT

Because of their daily contact with school-age children, educators and other school employees are in a unique position to identify abused and/or neglected children. Nebraska law defines abuse or neglect as knowingly, intentionally, or negligently causing or permitting a minor child or an incompetent or disabled person to be (1) placed in a situation that endangers his or her life or physical or mental health; (2) cruelly confined or cruelly punished; (3) deprived of necessary food, clothing, shelter or care; (4) left unattended in a motor vehicle, if such child is six years of age or younger; or (5) sexually abused.

Reporting Procedure. School employees will report suspected abuse or neglect of a child according to the following procedure.

1. Any school employee who suspects that a child has been abused or neglected shall report the suspicion to the building principal immediately.
2. The principal and the school nurse shall, whenever possible, investigate the concern within 24 hours of receiving the initial report. When the principal determines that a report should be made through the district, he or she shall make a report to the office of social services or law enforcement. The principal shall inform the employee(s) who made the initial report whether he or she has made a report to the office of social services or law enforcement. If no such report has been made, the employee(s) shall file such a report if he, she or they believe that a child has been abused or neglected.

3. If the safety or well-being of the child is in jeopardy, the report shall be made immediately to the city police department or the county sheriff's department.

4. Any doubt or question in reporting such cases shall be resolved in the favor of the child. Consultation between the administrator and school employee is encouraged, keeping in mind that prompt reporting is essential.

Contents of the Report. The report to authorities shall contain the following information to the extent it is available: (1) name and position of reporting person; (2) name, address, and age of abused or neglected person; (3) address of the person or persons having custody of the abused or neglected person; (4) the nature and extent of the abuse or neglect, or the conditions and circumstances which would reasonably result in such abuse or neglect; and (5) any other information that may be useful in establishing the identity of the persons involved and cause of the abuse or neglect.

Legal Immunity. Nebraska statutes give legal immunity from any civil or criminal liability to any person who makes a good faith report of child abuse or neglect or participates in a judicial proceeding resulting from such a report.
